

## Halo 2 Vista Product Key Generator

February 23, 2011 - When Halo 2 asks for a serial key during installation, enter one of the following. 9BTG3-8FFTD-JBCP3-T4YRM-94RKH PRQHY-W86MM-VRWPM-3FM4B-6QGWC. If you receive an email requesting a serial number, please click the link below and follow the instructions. The Halo 2 serial key does not need to be used on Xbox 360 or Xbox One and is not required to run the game. However, you will need a Windows or MAC product key if you choose to install it on your computer. You will receive it on your computer after installing the game. To get a serial key for Halo 2, follow this link.
